

Room With A View

Words and music: Tina Dickow

G D/F# Am
I need a room with a view
C
An armchair by the window
D C D
A cup of coffee and a cigarette or two
G D/F# Am
Watch the sky turn from hazy grey to black
C D
Watch my neighbours go to work and look exhausted and burned out
Am7 D/A
When they get back
Em
Thinking 'bout you
C G/B Am7 G
Thank God for this beautiful view

G D/F#
I recall you took me swimming
Am
The sea was dark and cold
C
You'd been there many times before
D C D
With many different girls, I'd been told
G D/F# Am
But what's man without a past?
C D
We love him for his lies and then we try to break him down
Am7 D/A
To make it last
Em
Until they come true
C G/B Am7 G
Thank God for this beautiful view

C
Beautiful view
G/B
You, you, you, you
Am G/B C
I still love you
